

Part II: 25 deep dive modules to get a very good understanding of all neighborhoods

- In each of these 25 modules (modules 8 till 32 in this course), we will cover the following topics
 - Summary of neighborhood
 - People / vibe
 - Cafés, restaurants, shops, promenades, hospitals
 - Public transportation
 - Topography
 - Property types and recommended neighborhoods
- After watching these modules, you will get a very good understanding how life is in every neighborhood along the Bosphorus districts. Furthermore, I will explain where to buy property in these neighborhoods
